Dear (donor)

My name is Dr. Sherita McQueen and I am the Founder/ CEO of SHE WILL FOUNDATION, INC, a nonprofit organization designed to support, and empower women affected by crisis to change their financial status, improve their health, well- being, and living conditions.

For several years, our mission has been to empower women with resources, education, identifying marketable skills, and support. According to Legal Momentum Organization, women in America are still 35 percent more likely than men to be poor in America, with single mothers facing the highest risk. Currently, 35 percent of single women with children live and raise their families in poverty. We want to help, but we need your help. In order to meet our mission and provide services in our community, we rely on the generosity of individuals and businesses for support. Without the assistance of community-minded individuals just like you, we wouldn't be able to serve those in our community each year.

We ask that you make a commitment to support our annual appeal by making a cash donation. We hope that you will be able to make a contribution. Your generosity will make a difference in our community by allowing us to continue in our work.

We have enclosed sponsorship information for your convenience. Remember that every donation makes a difference, regardless of size.

Thank you in advance for your support!

Sincerely,

Dr. Sherita A. McQueen
